Technical details

11. Number of rounds to be confirmed by the main referee in the technical meeting.
12. The official software Draughts Arbiter will be used.

National team classification

13. The national team classification is based on individual results of players representing their national federation.
 - 13.1. The best 3 players from one country in the final classification obtain points in each age group, the calculation is done by percentage score + bonus points for top 10 places (bonus points exactly like in World Cup: 1st - 100, 2nd - 70, ..., 10th - 20). Example - 6 points out of 9 rounds and 21st place gives 33 points for the country. 1st place with 15 points gives 183 points (100 + 83).
 - 13.2. There will be separate classifications in classic, blitz and rapid championships, in each classification results of boys and girls groups will be counted together
